Note 1 IGI burial record 19.01.1737

Note 2 PR has "Henry Bacon of High Easter to Mary Chalke". Chickney near Broxted, 6 miles N of High Roding. There appears to be a muddle within the SocGen transcripts ES/R/155 & 156. Chickney and Little Chesterford lists seem to have been transposed and the error is noted - but I am of the opinion that this marriage took place in Chickney rather than Little Chesterford. This can only be resolved by consulting the originals...

Note 3 No record of her burial in Aythorpe Roding PR

Note 4 Henry Bacon widower and Rececca Savill, both of Aythorp Roding

Note 5 4 miles N of High Roding. Parents: Henry Savill and Elizabeth
